### Report:

So, here we were. Already winners of county division 3. Not needing to turn up to claim victory but making sure we arrived to try to keep a clean sheet. After only managing a 5-4 win at home against 2 pairs, we new this was going to be a tough match. But we more than rose to the occasion and all three of the first games went our way. Game four was an easy win for Dave and Jessen and then came game five. Win this and the clean sheet is ours. The first rubber was taken by Chris and Phil. Then the second. Chris and Phil started trying to win every point quickly rather than playing the drop and clear game that had won them the first rubber and went down 20-22. Realizing they had to revert back to the drop and clear game, Chris and Phil adjusted their play and took the third 16-21. That was it. All we had to do now was get to the end of the evening without fatalities. And we did it. Despite the final game for Chris and Phil being a complete wash out and Guru and Mikes penultimate game going to a hard fought three loss. All in all, no captain could ask for more commitment from his team. A brilliant start for our foray in to county league badminton. Bring on division 2!
