Report:

Phew.....For the second match in a row down to the last rubber. A mixed evening in terms of rubber results with most games being very close. Lauren starred with 3 victories and Dave didn't (not so much pants as bloomers with double gusset!)!!!. The match remained even throughout the evening, entering the final rubber with time of the essence, played as 1 game to 31. The game ebbed and flowed with both sides gaining an advantage of a few points only to be pegged back. Extended rallies as the clock advanced towards 10 O'clock and throwing out! Colin & Rebekah maintained composure, rode their luck and came through to win the match supremely well. Especially sweet for Colin against his former club.

Very very well done, an important hard fought victory.
