Report:

Wow, so so close. With 3 courts available everyone started at the same time and all suffered the same problems with sighting the shuttle. The grey background caused us considerable problems. After our opening match defeat a victory here was vital against a team that is likely to be 'in the mix' come season end and a win was secured in the deciding game of the final rubber.

The evening progressed with wins and losses coming uniformly, with frustration and glee metered out in equal measure. Dave & Duncan at 1-1 and all other rubbers complete were shouldering the burden and managed to claim a 21-10 game win to take the match.

Duncan showed his tremendous development over the past few months with 3 victories and was without doubt man-of-the-match. Well done team, a fine, well contested win.
