Report:

Six wins from six matches confirms how well the team has performed this season. On this cold evening at Aldenham School Guru & Mike continued their superb form with 3 wins, including a tightly contested 2nd game against Little Bushey's 1st pair which they eventually won 28-26.

Second pairing of David & Craig performed admirably as a last minute pairing also winning all 3 rubbers. Unfortunately 3rd pair Dave & James had a night to forget and never really generated the power & control necessary - may be next time!
